

- Second announcement -

GrACo III

III Reunião Argentino-Brasileira de Gravitação, Astrofísica e Cosmologia
III Reunión Argentino-Brasileña de Gravitación, Astrofísica y Cosmología

Rio de Janeiro, Brazil, from April 26th to 29th, 2016.

We are pleased to publicize the current status of the III Argentine-Brazilian Meeting on Gravitation, Astrophysics and Cosmology – GrACo III. Below you will find important information on the meeting.

Venue

The meeting will be held at Centro Brasileiro de Pesquisas Físicas, located at Dr. Xavier Sigaud street 150 - Urca. This is one of the most charming neighborhoods of Rio de Janeiro only 10 minutes walk from Pão de Açúcar one of the most famous sightseeing in Rio de Janeiro. The city of Rio de Janeiro has a favorable condition for developing research in physics. There are several research centers and universities within its metropolitan region what creates an extremely active and stimulating environment for science.

Invited Speakers

The scheme of the Meeting will follow the main lines of the previous editions, with contributed talks and posters, together with a few invited plenary presentations by well-known specialists on topics of particular relevance (The list of confirmed invited speakers can be found at GrACoIII website <http://www.cbpf.br/gracoiii>). There will be also enough free time to encourage interaction and discussion between the participants.

Important Dates

We would like to inform you that the deadlines for registration, abstract submission and early fee payment has been extended to **January 31st, 2016**. The deadline to apply for financial support is also **January 31st, 2016**

Registration

Registration is quick and easy. Fill the online form that can be found at the event webpage and follow the instructions in order to pay the registration fee.

Registration Fee

- ≡ Early payment up to January 31st 2016: USD 100 (one hundred american dollars)
- ≡ Late payment after January 31st 2016: USD 150 (one hundred and fifty american dollars)
